Just imagine... if you could speak casually with Jesus... if you could ask Him all of the questions that have puzzled (or haunted) you all of your life. This book is just that!

It is a transcript of a young man's casual conversations with Jesus.

That sounds extraordinary, doesn't it?

Well, you're right, it is... and then again, it isn't.

As Peniel (the young man who is speaking casually with Jesus) puts it, "What is so **extraordinary** about a Father talking to one of His loved children?"

This is the sort of simple reasoning that abounds in this unusual and enlightening book.

Please read it with an open mind—and perhaps you shall find what you really seek...

Signed,
God

Note at time of publishing.

It is now 2003, and I am finally able to commercially publish this book (which was written 18 years ago in 1985!).

If this book sells well, and I become “supposedly” famous, **PLEASE** don’t let that stop you from contacting me if you want to talk! The reason Jesus had me to write this is to open the door so that I could talk to you, person to person, so that we can help you get back to that place you really want to be: happy, peaceful, and fulfilled! This is my MISSION in life! It is what I do! The books I write are merely to draw others to me, so that I might teach them (if they are sincere). Just get on the Internet and come here: www.mcwj.com

And no, I do NOT charge anything for teaching groups or individuals, or for any of my workshops and seminars. They are ALL free to any and all who wish to come; I give freely what Jesus has given to me freely!

Preface

Before you continue reading, please do as I ask of you here. Look around you and find some soil or dust. Place a few grains of it in your hand. Look intently at it. Study it for a couple of minutes. Once you have finished studying it, return to reading this preface.

If you really did get some and put it in your hand, congratulations—you have true personal integrity. If you did not really do it, please do it now. You will understand why afterwards.

Consider carefully what was just in your hand—what you have just experienced is a perfect reflection and mirroring of God's infinite power, knowledge, and beauty of creation...

... or else it is just dirt.

And this is as is my book. I hope that it does not turn out to be dirt for you!
